Motion Under Fed. R. Civ. P. 20(a)(1)(A)&(B) for
Permissive Joinder of Party

The Plaintiff, Lisa A. Biron, moves for joinder of Rachael T. Biron as a party plaintiff under Fed. R. Civ. P. 20(a)(1)(A)&(B).

Joinder of Rachael Biron is appropriate as they assert the constitutional right to contact and communication with each other jointly. The Defendants' illegal actions of preventing their association and communication affects both Lisa and Rachael Biron jointly, and the same questions of law and fact are common to both.

Jurisdiction of this Court will be unaffected by the joinder as it has federal question jurisdiction over this removed case.

Respectfully submitted
